Introduction

Islamabad College for Girls F-6/2 was founded on 1st May 1968 as Islamabad Model School for Girls. This prestigious educational institution of Islamabad started its classes in an under construction building without even a boundary wall and with a student population of only 64.

Today, by the grace of Allah Almighty, it has the highest student enrollment among all model colleges. Initially, Islamabad College for Girls, popularly known as ICG had classes up to Matric level. Later it was upgraded to the Intermediate level in 1975 and the Graduate level in 1985. M.A English classes were introduced in 1989 followed by the programme of M.Sc Applied Psychology.

The college is affiliated with Quaid-e-Azam University, Islamabad. We are running three successful programmes of BS (English, Psychology and Chemistry). Along with academic excellence, ICG is renowned for the achievement of its students in sports, curricular and co-curricular activities. This premier institution of the Federal Capital houses classes from prep to BS level in one magnificent campus and is unique in this regard. We can proudly say that it is an institution where we teach our students to become women of value and success.

ICGIANS are playing leading roles in numerous organizations as doctors, engineers, civil servants, entrepreneurs and teachers both at national and international level.

College Mission, Vision, Goal

Mission Statement

To develop young women with active and creative minds, a sense of understanding and compassion for others and the courage to act on their beliefs. We emphasize & ensure the development of each child's spiritual, moral, intellectual, social emotional and physical needs in order to meet the various challenges and opportunities of 21st century.

College Motto

“Glory be to thee, No knowledge is ours, Except that Thou has taught us. Thou indeed are All-knowing, All wise”. (Al Baqara 32)

Code of Honor

“Worship none but Allah; Treat with kindness, your parents Kindred, Orphans and those in need; Speak fair to the people; Be steadfast in prayer; And practice regular charity.” (Al Baqara 83)

College Goal

“Our goal is to educate each and every girl that will be a step towards 100% literate Pakistan.”

Our Vision

Educated Pakistan through quality education of females.

Message From The Principal,

PROF.Shazia Shamim Rizvi

Islamabad College for Girls aims to instill, in its students a sense of integrity while stimulating intellectual curiosity and developing social responsibility.

Academically our students are guided by a team of exceptionally qualified and talented teachers enabling them for admission to prominent seats of higher learning. Ethically our students experience an environment that values a code of honour, respect for others and self, and a passion for service.

The role of educational institutions is of vital importance to give students a sense of direction for which a conducive academic environment is important. Being the principal I extend my utmost support to take this already prodigious institution to stupendous heights. It is my profound privilege to welcome you to one of the best educational institutions in Islamabad. My great desire is to facilitate the students in achieving high standards with the help of our qualified and competent faculty.

ICG is a gateway to understanding life, thought, reason and exchange of ideas. With a broad range of subjects covering over twenty disciplines, we help the students to build a solid academic foundation that will help them in pursuing their education anywhere in the world. The classrooms provide a stimulating environment for teaching, learning and communication of knowledge.

ICG's reputation for excellence has been a hallmark for this premier educational institution. Under a highly qualified faculty, students are prepared for personal and professional success while contributing to the betterment of the larger community.

Why Choose ICG?

When I think of the reasons owing to which I joined ICG, the list is endless. Firstly, it is the name and repute that the Institution has made for itself. ICG has earned its reputation and many parents prefer to send their daughters here because it caters to all levels of education; beginning from the primary level and going up to the BS level.

The faculty here is highly qualified and their methods of teaching make learning fun rather than a burden. The support, the understanding and motivation that the teachers provide to students, guarantee that one will excel in not just academics but in all fields of life.

The libraries and laboratories provided are amongst the best in the city. Also the environment is very healthy. Due to a high level of discipline we are groomed to be more productive human beings in our present and future life. Besides, an open door policy ensures immediate access to the administration.

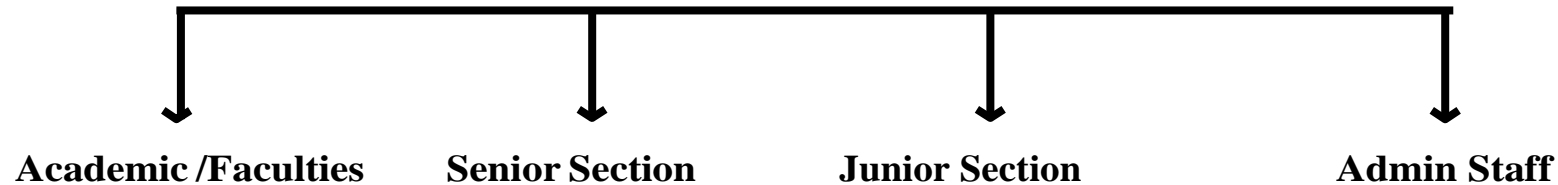

The Institution has its own transport system which anyone can avail. Hostel facility is also available. There are two canteens and also an infirmary. Regular co-curricular activities also take place. The college has its own colossal auditorium for this purpose.

The huge grounds provide recreation to students during free-time, along with a tennis court and other sport facilities. The tuition fee is very reasonable. Most importantly the security is very good, providing a very reliable and safe atmosphere for students. **LONG LIVE ICG!**

- Enrollments from Nepal, Sri Lanka, India, Iran, Iraq, Afghanistan, and Middle Eastern countries.
- Admissions managed through the Ministry of Foreign Affairs.

Students' Council

- Pioneer in initiating elected student representation.
- Organizes Talented Students Week and various co-curricular events.
- Serves as a bridge between administration and student body.

Science Laboratories

- Modern labs available for Chemistry, Botany, Physics, Zoology, Computer Science, Geography, Statistics, and Applied Psychology.

Information Technology (IT) Labs

- Three solar-powered computer labs in the IT Block.
- Serve over 1,000 students from class VI to Intermediate.
- A newly established High Impact Training lab features the latest technology.

English Language Lab

- Offers speaking and pronunciation training with proper intonation.
- Features 30 language learning stations.

BS PROGRAMS

ADMISSION POLICY (FOR BS PROGRAMS)

1. Allocation of Seats

The number of seats available in ICG F-6/2, Islamabad in different BS Programs is given below:

BS Chemistry	50
BS Psychology	50
BS English	50

2. Admission Quota

Open Merit	92 %
Ex-FATA/GB	03 %
Disabled Quota	02 %
Sports Quota	03 %

3. Basic Eligibility

A candidate holding a Higher Secondary School Certificate, from a Pakistani Board or an equivalent certificate from any other recognized institution, with at least 50% marks is eligible for admission to the BS Program.

4. Age Limit

The maximum age limit for admission to the BS program is 22 Years. Anyone beyond the age of 22 Years shall not be given admission unless the relaxation is granted by the Vice-Chancellor under special circumstances on the recommendation of the Principal.

5. Equivalence Certificate

Candidates having foreign certificate/A-Level (or Equivalent Qualification) should provide Equivalence Certificate and conversion of the grades into marks from the Inter Board Committee of Chairmen for Matric and Intermediate Level. Certificates with CGPA of local institutions also conversion of grades into marks or percentage from the concerned Institutions in Pakistan.

6. Merit Criteria

The merit shall be calculated as per criteria mentioned.

Matric/SSC/Equivalent ∴ 30%

F.A/F.Sc/Equivalent: 70%

Merit = (MOM) / TM x 30% + (MOF) / TM x 70%

Where

MOM = Marks obtained in Matric or equivalent

MOF = Marks obtained in F.Sc or equivalent

TM = Total Marks

7. Merit List

All the lists of selected candidates shall be displayed as per scheduled dates on the notice board as well as on the website of the college. No call letters are sent to the selected candidates.

Admission to one department shall not give a student the right to migrate to another department.

Thus a candidate seeking admission in more than one program must apply to each program separately on a separate form.
